

# Gobaith Môn

## Policy and Procedures for Safeguarding

Gobaith Môn  
Cae Uchaf  
Rhosybol  
Amlwch, Anglesey  
LL68 9TR  
Refer to: Head of Safeguarding

Gobaith Môn's Safeguarding component parts are made up of:

- Gobaith Môn Policy And Procedures For Safeguarding
- Gobaith Môn Leaders Manual
  - This documentation is developed in conjunction with the Churches Child Protection Advisory Service (CCPAS)
  - Revised and approved: 18 February 2016 (First approval July 1998)

## A. Policy Statement

---

Gobaith Môn is a movement made up of volunteers and paid staff. We believe that all human beings are of equal worth in the sight of God and aim to follow Biblical principles in all that we do.

Therefore:

- We commit ourselves to the nurture, protection, and general welfare of all, especially children and adults at risk of harm.
- It is the responsibility of each one of us to protect children and adults at risk of harm from all forms of abuse and to report any disclosures of abuse in addition to suspicions or concerns.
- In order to achieve this, we are committed to supporting, resourcing and training those who work with children and adults at risk of harm. We will provide appropriate supervision, recognise mutual accountability and commit to an annual review of our safeguarding policy, procedures and practices.

Gobaith Môn has adopted the above principles; all volunteers and staff are presented with a copy and expected to follow the procedures and guidelines as set out in this document.

The standards in this policy build on and incorporate legislation and government expectations for children and adults at risk of harm. This includes HM Government 'Working Together to Safeguard Children (2015)'. The guidance is for statutory agencies and voluntary organisations alike and covers all the expectations of government in relation to safeguarding children in England.

1) Adopt a policy statement on safeguarding the welfare of children.

The policy statement included in this document has been adopted following approval by the Board of Gobaith Môn. It is reviewed annually, and is available on request for public scrutiny.

2) Plan the work of the organisation so as to minimise situations where the abuse of children may occur We have established and will maintain and review clear procedures to fulfil this policy. They are set out in detail in this document and are under constant review, with any updates necessary given in writing at least annually.

- 3) Introduce a system whereby children may talk with an independent person. Our procedures discourage the formation of exclusive relationships, and our activities are organised in such a way that children have access to a number of people.  
Gobaith Môn could not, by definition, provide a person who was independent of the organisation.  
We publicise relevant contact numbers. See Appendix B
- 4) Apply agreed procedures for protecting children to all paid staff and volunteers. We have established minimum procedures for all workers and training and comprehensive procedures for workers in direct contact with children. All workers receive a copy of the policy statement.
- 5) Give all staff and volunteers clear roles.  
All paid staff have a written job description and all volunteers are given a clear written role profile
- 6) Use supervision as a means of creating a safeguarding culture across the organisation. All workers plan and review their work with the person to whom they are accountable.
- 7) Treat all would-be paid staff and volunteers as job applicants for any position involving contact with children.  
We have comprehensive application and selection procedures for all workers.

## B. Statutory Compliance for Gobaith Môn

---

- 8) Gain at least two references from people who have experience of the applicant's paid work or volunteering with children.  
We require a reference from at least two people (church leaders or equivalent) for each applicant, seeking information which includes character and relationship assessment. We inform referees if work involves direct contact with children. Volunteers who work with children annually for short periods only are required to fill in a form each year and to name two referees on each occasion.  
We appreciate that some of our volunteers are young adults wanting to begin work with children, and therefore it may not be possible to gain references which relate to relevant experience. However, young leaders may be able to get a good character reference from a teacher etc.

- 9) Explore all applicants' experience of working or contact with children in an interview before appointment.  
All staff, and volunteers for leadership positions, are interviewed prior to appointment.  
General team members on short-term placements are not normally interviewed but see (11) below.
- 10) Find out whether an applicant has any conviction for criminal offences against children.  
All workers are required to sign a declaration disclosing a criminal conviction or caution. Annual short-term volunteers with children are required to do so annually. This includes, subject to certain exceptions, disclosing convictions which for other purposes are 'spent', as posts involving direct work with children are exempt from the provision of section 4(ii) of the Rehabilitation of Offenders Act 1974 (Exemptions Order 1975). Under DBS filtering rules there are some exceptions to this legislation and we will provide applicants with a copy of the filtering guide so that they can determine whether a conviction, caution, reprimand or warning should be disclosed. Applicants for roles involving regulated activity are required to apply for an Enhanced Disclosure from the Disclosure and Barring Service.
- 11) Make paid and voluntary appointments conditional on the successful completion of a probationary period.  
While the short term nature of much of our volunteer work makes probationary periods inappropriate, we are aware that many volunteers will have limited experience. Appropriate support is provided for each circumstance. In practice, this may mean sharing of responsibility, rather than having unsupervised responsibility, for children.  
Team leaders have the authority to ask team members to leave an event if it is in the best interest of the children.  
We have a system of specific and general induction for staff, leading into an initial six-month work review, and an on-going review process. The on-going review process applies to all workers with children and adults at risk of harm.
- 12) Issue guidelines on how to deal with a disclosure and/or suspicion of abuse.  
Comprehensive guidelines are established and reviewed regularly.
- 13) Train paid staff and volunteers, their line managers or supervisors, and policy makers.  
We provide and give access to training for the safe care of children, including increasing understanding of the prevalence of abuse, along with the signs, symptoms and indicators of abuse

- All those who seek employment with Gobaith Môn as paid staff or volunteers and whose work is likely to involve regulated activity with children and/or adults at risk of harm are required to apply for an Enhanced Disclosure from the Disclosure and Barring Service (DBS)

## C. Safer Recruitment

---

- Potential Trustees of Gobaith Môn are required to apply for an Enhanced Disclosure before their appointment is confirmed. On appointment Trustees DBS checks will be carried out every three years thereafter.
- Some staff in key managerial positions (where there is a responsibility for the selection or supervision of those working with children and adults at risk of harm) are also required to apply for an Enhanced Disclosure.
- Those with criminal convictions, cautions, cases pending, reprimands or bindovers are not necessarily unable to take up positions with Gobaith Môn, which abides by its policy on 'Employing People with a Criminal Record'.
- Gobaith Môn has a contracted agreement with a Registered Body (currently Atlantic Data) for all its DBS checks and to act on behalf of its mission partners.
- Gobaith Môn has an authorised DBS Processing Team (DPT) who process all DBS checks through the online system provided by the contracted Registered Body.
- Gobaith Môn abides by the Code of Practice established by the DBS
- Verification of identity and processing of applications by prospective trustees is carried out by a specifically assigned member of the DPT.
- All field staff are required to apply for Enhanced Disclosures on appointment and every three years thereafter.
- Other members of staff who are not normally working with children and adults at risk of harm as part of their duties but who subsequently join a short-term team are at that point asked to apply for an Enhanced Disclosure.

- Other staff whose work involves contact with children or in supervisory or selection roles of those working with children are also required to apply for an Enhanced Disclosure at the time of appointment.
- Job applicants are advised of the need for an Enhanced Disclosure before an application is submitted.
- A specifically assigned member of the DPT carries out verification of identity of prospective staff and processing of staff applications for Enhanced Disclosures.  
Partners
- Mission Partner staff and volunteers who have regulated activity with children are also required to apply for Enhanced Disclosures on appointment and every three years thereafter
- Gobaith Môn recommends that Local Mission Trustees should apply for an Enhanced Disclosure on appointment and every three years thereafter.
- Each mission partner body is required to sign a Statement of Intent to work according to Gobaith Môn's policies and procedures, including those concerning safe care of children and employing people with a criminal record. This is signed on formation (before mission partner status is agreed) and again every three years.
- One trustee has responsibility for child protection on behalf of their mission body and as such is responsible for verification of the identity and the online processing of DBS checks for Mission Partner Staff Workers and volunteers for that body.  
Volunteers
  - All volunteers who are expected to undertake regulated activity with children are required to apply for an Enhanced Disclosure on appointment and every three years thereafter.
 Update Service
- Those requiring Disclosures for work with Gobaith Môn or its mission partners are required to apply to the DBS via Gobaith Môn.
- Where an individual has registered a disclosure certificate with the DBS update service, Gobaith Môn will accept registered disclosure certificates that comply with the following criteria:

- The disclosure is for the ‘Child Workforce’ category and
- It is an ‘Enhanced Disclosure’.

- Where the online disclosure check contains information about cautions, convictions, reprimands or warnings or other relevant information the procedure below on handling disclosure information will be followed.

### Handling Disclosure Information

- If a Disclosure contains information about cautions, convictions, reprimands or warnings or other relevant information, advice on how to proceed is sought by the DPT member from one of two named senior DPT members.
  - Information recorded on the Disclosure may be shared by the DPT only with those directly involved in the particular employment decision.
  - Information recorded on the Disclosure is only shared if it is likely to affect the employment decision, which is then made in accordance with Gobaith Môn’s policy on Employing People with a Criminal Record.
  - If additional information is received from a police force, action follows the procedure outlined in the letter and is not shared with the applicant or anyone other than those making the employment decision, and only with those people if the police letter received does not forbid it.
  - The date and disclosure number of all checks are recorded in Gobaith Môn’s DBS system.
  - In extreme circumstances, when a disclosure check has not been successfully completed prior to the start of an event, and the individual is not registered with the update service, a risk assessment must be completed to determine what role, if any, that individual may take in the event. That risk assessment must be signed off by the Leadership Team’s operational lead for safeguarding.
- Renewal of Disclosures

- Disclosures are normally renewed on a rolling three-year basis.
- For disclosures that are registered with the update service these will also be checked on a rolling 3 year basis.
- If, in the intervening years, declarations completed by those working with children suggest changed circumstances, a new Enhanced Disclosure is requested.

## 1. Team Application Procedures

– Gobaith Môn will undergo careful recruitment and selection procedures as stated in this policy. Applicants are appointed (or excluded from service) at the discretion of the Person Responsible and, where appropriate, in communication with other parts of the Movement.

– A new applicant is one who has not worked on an event before. Team members who have had a break in service of more than one year will be treated as new applicants unless the event leader indicates that they have remained in sufficiently close contact to be assured that their personal circumstances remain unchanged. A break of two years would mean they would be treated as new applicants without exception.

– All new leaders and team members must complete an application form, which will include questions on the following:

- details of any criminal record
- mental and physical state of health of the applicant
- details of driving offences, and
- details of two referees.

The application form will also contain two statements:

- an explanation that applicants will be required to request an Enhanced Disclosure from the Disclosure and Barring Service

- the fact that Gobaith Môn has a policy on Employing People with a Criminal Record and that the existence of a criminal conviction does not necessarily rule out acceptance of an applicant.
- Two references will be required for each new applicant. If there are concerns about either or both of the references, a third reference will also be taken up. Communication with referees will include a statement about the significance of the information being requested, the importance of the role of the team member and the paramount importance of the safety of children and adults at risk of harm.

## D. Events Run By Gobaith Môn

---

- Once an application form has been received and the person deemed suitable for placing on a team, a Disclosure will be requested from the DBS. Once the Disclosure has been processed and deemed satisfactory, the applicant's place on a team is confirmed.
- Individual cases will be considered on merit, but as general guidance convictions or cautions in the categories listed below exclude an applicant from appointment:
  - any form of abuse involving children and adults at risk of harm
  - sexual offence involving children and adults at risk of harm
  - any types of serious violence, and
  - recent offences involving misuse of substances such as drugs or alcohol.
- Some forms of physical, emotional or mental illness may make an applicant unsuitable for service.
- Applicants from overseas or those living in England and Wales for a short time may not be eligible for a Disclosure from the DBS. Every effort will be made to take whatever measures are available according to the comparative methods in their own country, but where there is any doubt as to the availability of a thorough check the application will be refused.

- Returning members of short-term teams will confirm online whether or not their circumstances have changed since their original application. If changes have occurred, the application may be reconsidered.
- It is acknowledged that some team members may have little or no experience of working with children and adults at risk of harm, while others may have plenty. An agreed set of safety guidelines and expectations of team behaviour will be communicated by the leader prior to the event.
- Each event will designate an individual, who is appropriately trained to be the safeguarding lead person for the event. Gobaith Môn's safeguarding policy will be outlined to all team members by that Designated Safeguarding Lead or the overall team leader.

#### Ancillary /Support team

- On some events, a few people provide key supporting roles such as catering for the team. If these people are participating in the event on a residential basis they are engaged in regulated activity and, as such, will require an Enhanced Disclosure for the Child Workforce. If they are not participating in the event on a residential basis they will not require an Enhanced Disclosure check unless it is anticipated that to enable the smooth running of the event they will become engaged in regulated activity

#### Junior team

- Young people who help on an event are sometimes referred to as 'junior team members.' If an event runs a junior team scheme, structured training should be given to this group and must register the scheme with the National Office.
- Junior team members should complete a junior team application form online which includes any health issues and parental consent.
- Those under 18 are not permitted to have unsupervised responsibility for the care of children on an event.

#### Missions

- On a non-residential event, team members may require accommodation. If junior team stay with someone who is not on the team, the host is not required to fill in any Gobaith Môn application forms, except the DBS Disclosure application.

#### Visitors

- At no time is an ad-hoc volunteer (e.g. parent, visitor) to be given unsupervised responsibility for a group of children. They are asked to sign a visitors' register.
  - Any volunteers or visitors staying on site more than 24 hours or staying overnight will be required to complete an ancillary / support team form online and complete a DBS check as per DBS regulations. Leaders are responsible for the safety and well-being of visitors.
  - All those working with children and adults at risk of harm on behalf of Gobaith Môn will treat them with respect and dignity, which should be reflected in attitude, behaviour and speech.
  - Gobaith Môn accepts a duty of care for a child or adult at risk of harm booking onto a Gobaith Môn event.
  - Teams on mixed events will include male and female members, and organisation of activities within the events will reflect this balance wherever possible.
  - Teams will aim to work in groups and in public areas so that contact between participants and team is in sight of others.
  - Teams will avoid forming exclusive relationships or those which could be seen as showing favouritism to individual participants.
  - Wherever a team member finds themselves involved in a potentially lengthy counselling situation, they should seek to involve another member of the team at an early stage. Promises of confidentiality will be avoided and items shared with leaders or adults with relevant experience.
  - It is normally inappropriate for adults to initiate physical contact with participants, and team members should be cautious of contact initiated by participants, except in exceptional circumstances such as the need for medical attention or to prevent harm.
  - The use of any corporal punishment is strictly prohibited i.e. any form of physical discipline is not acceptable

- Any physical contact with children and adults at risk of harm in the area of discipline will be purely in terms of restraint so that one exercising violent behaviour is prevented from hurting themselves or others. This restraint will use minimal force and be used for the minimum time necessary and witnessed by another team member
- If it is necessary to send a child or adult at risk of harm home from an event early, they will either be collected by a parent/guardian/carer or accompanied home so that the responsibility for their welfare is clearly transferred, unless other arrangements are agreed with the child's parents/carers ideally in writing e.g email.
- On residential events, no one should enter the sleeping accommodation of members of the opposite gender except in emergencies.
- Team leaders and members are in a 'relationship of trust' with participants and must take care that an abuse of that trust does not occur. Any behaviour which might allow a sexual relationship to develop between a person in a position of trust and the individual(s) in their care must be avoided.
- This relationship of trust is also in place outside the actual event in any communication between team and participants, whether in person, by letter, email, telephone, text messaging or any other means. Any communication or direct contact with a child will therefore be characterised by transparency and integrity and must operate within Gobaith Môn's policy on safeguarding children.
- Team members will not normally be expected to communicate outside of the event with participants other than those for whom they have been given particular responsibility.

## E. Code of Conduct

---

All those working with children and vulnerable adults on behalf of Gobaith Môn will treat them with respect and dignity, which should be reflected in attitude, behaviour and speech.

- Gobaith Môn accepts a duty of care for a child or vulnerable adult booking onto a Gobaith Môn event.
- Teams on mixed events will include male and female members, and organisation of activities within the events will reflect this balance wherever possible.

- Teams will aim to work in groups and in public areas so that contact between participants and team is in sight of others.
  - • All gifts and offerings to staff will be notified in writing to their line manager.
- Teams will avoid forming exclusive relationships or those which could be seen as showing favouritism to individual participants.
- Wherever a team member finds themselves involved in a potentially lengthy mentorship situation, they should seek to involve another member of the team at an early stage. Promises of confidentiality will be avoided and items shared with leaders or adults with relevant experience.
- If a young person requests to speak with a person which is the same gender then we will endeavour to meet this request as soon as possible. If we are unable to find someone which the young person is comfortable, we will make a report and inform the young person when possible and appropriate.
- It is normally inappropriate for adults to initiate physical contact with participants, and team members should be cautious of contact initiated by participants, except in exceptional circumstances such as the need for medical attention or to prevent harm.
- The use of any corporal punishment is strictly prohibited.
- Any physical contact with children, young people and vulnerable adults in the area of discipline will be purely in terms of restraint so that one exercising violent behaviour is prevented from hurting themselves or others. This restraint will use minimal force and be used for the minimum time necessary and witnessed by another team member.
- If it is necessary to send a child or vulnerable adult home from an event early, they will either be collected by a parent/guardian or accompanied home so that the responsibility for their welfare is clearly transferred, unless other arrangements are agreed with the child's parents/carers ideally in writing e.g email.
- On residential events, no one should enter the sleeping accommodation of members of the opposite gender except in emergencies.
- Team leaders and members are in a 'relationship of trust' with participants and will take care that an abuse of that trust does not occur. Any behaviour which might allow a sexual relationship to develop between a person in a position of trust and the individual(s) in their care will be avoided.
- This relationship of trust is also in place outside the actual event in any communication between team and participants, whether in person, by letter, email, telephone, text messaging or any other means. Any communication or direct contact with a young person will therefore be characterised by transparency and integrity and must operate within Gobaith Môn policy on safeguarding children.
- Team members will not normally be expected to communicate outside of the event with participants other than those for whom they have been given particular responsibility.

## F. Understanding Abuse and Neglect

---

### 1. What is abuse and neglect?

#### WALES

The following definitions of child abuse are recommended as criteria throughout Wales by the Department of Health, Department for Education and Skills and the Home Office in their joint document, *Working Together to Safeguard and Promote the Welfare of Children* (2000).

#### Physical Abuse

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer feigns the symptoms of, or deliberately causes ill health to a child whom they are looking after. This is commonly described using terms such as 'factitious illness by proxy' or 'Munchausen Syndrome by proxy'.

#### Emotional Abuse

Emotional abuse is the persistent emotional ill-treatment of a child such as to cause severe and continuous adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate or valued only so far as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. It may involve causing children to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of ill-treatment of a child, though it may occur alone.

#### Sexual Abuse

Sexual abuse involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative (e.g. rape or buggery) or non-penetrative acts. They may include non-contact activities, such as involving children in looking at, or in the production of, pornographic material or watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

#### Neglect

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. It may involve a parent or carer failing to provide adequate food, shelter and clothing, failing to

protect a child from physical harm or danger, or the failure to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

## 2. Reporting suspicion of abuse

Whilst working on Gobaith Môn events, team members may be told about various personal situations which the participants they work with have experienced. In the majority of situations, being prepared to give the time to listen and care without being judgmental will be of great value and assistance. In some cases it may be possible and appropriate to offer advice and prayer.

It is possible that the nature of our work may increase the likelihood of participants disclosing problems which put them 'at risk' for various reasons in ways which threaten their safety. Such disclosures require more than a caring response and a sympathetic ear, and the following procedure must be followed by the team member:

- Give the person time to talk freely but without fear of being overheard. Treat them with respect and acceptance. Always accept what is being said at this stage. Do not ask questions other than to clarify what is being said. Never put words into the person's mouth and be careful with your tone of voice so as not to appear shocked or angry or to show disbelief
- Do not promise to keep the disclosure 'secret'. Explain that you must share this information with the leader of the event who may in turn call upon other people who will be able to help.
- Stay with the person until you feel they have said all they want to say. Try to avoid leaving them in a distressed state.
- Inform the event's Designated Safeguarding Lead of the disclosure as soon as possible.
- Make a written report of what happened on the Children's Welfare form provided as soon as possible (not in the participant's presence). Do not interpret, only record what was said as verbatim as possible.
- Designated Safeguarding Leads and overall event leaders will be aware that members of the team involved in handling these situations may also need appropriate help throughout the process and afterwards. Counselling support may be appropriate; the Gobaith Môn national office should be contacted regarding this (Appendix B)

Once disclosure or allegation of abuse is made, Gobaith Môn is required to take action. The Safeguarding lead for each event is required to take action consistent with the appended process diagram (New appendix A). The advice of our contracted safeguarding advisors (currently CCPAS) is to be followed.

- If contact with the person making the disclosure continues during the event, try to ensure that this is as ‘normal’ as possible, and avoid drawing attention to the situation or repeatedly referring to it unless the person initiates further discussion.
- If an allegation is made against any member of the event team or its leader, the same process must be followed except that it must exclude the individual who is the subject of the allegation. The team member or leader will normally be asked to leave the event immediately until the investigation has been carried out. It cannot, though, be assumed that this is the course of action which it will be required to be followed in every circumstance.
- Any team member who is concerned about the way an allegation or disclosure has been handled will contact the Leadership Team member who is the operational lead for safeguarding
- At every stage, procedures will show respect for people and will involve careful consultation, not hasty reaction.

The Board of Trustees is responsible for the approval of Gobaith Môn's safeguarding policy.

A named trustee (currently Sue Rudolph) is the designated lead person for safeguarding. This trustee chairs a Safeguarding Advisory Group, the aim of which is to consider and support Gobaith Môn on all matters relating to safeguarding policy and practice.

A named member of the Leadership Team (currently Sue Rudolph) is the operational lead for safeguarding matters and for reporting, as necessary, individuals to the DBS. Each Gobaith Môn event will have a named and appropriately trained safeguarding lead.

The Gobaith Môn Trust Secretary (currently Neil Rymer) is responsible for reporting notifiable cases to the Charity Commission.

---

## G. Responsibilities

---

## Definitions

Adult at risk of harm

Child DBS

DBS Processing Team (DPT)

Designated Safeguarding Lead

A person who is aged 18 or over and who has care and support needs as defined by the Care Act 2014

Anyone under the age of 18

Disclosure and Barring Service (formerly CRB – Criminal Records Bureau) Gobaith Môn staff authorised to process online DBS applications.

The appropriately trained person who is the designated lead for safeguarding on an event.

Event

First Aider Junior Team

Leaders

Participants

Person Designated for Emergencies

Person Responsible

Regulated Activity

Senior Data Processing Team Member

Team

Team members Workers

Any event where Gobaith Môn takes responsibility for participants who are under the age of 18 years.

Person with current, appropriate qualification to administer first aid.

Those younger than 18 who may assist on an event but who will not have unsupervised responsibility for, or undertake regulated activity with, anyone under the age of 18 years.

People who have been given overall responsibility for an event through an appointment procedure.

Those who attend an event.

The person on duty for emergency cover (including out of hours), who will usually be one of the above or the Director of Ministry Development or Associates Co-ordinator.

Normally this will be one of the following, the nature and leadership of the event determining which:

- Volunteer Ministry Leader
- Volunteers' Coordinator
- Regional Team Leaders and other Regional Staff.

'Regulated Activity' (as defined by the Protection of Freedoms Act, 2012) involving a substantial degree of contact with children including unsupervised activities such as teaching, supervising, training or providing advice/guidance on well-being (this applies to most people working with, or responsible for, children in a church situation, including the Church Leader, Pastor, Minister, Vicar).

A senior member of the DPT team who has responsibility and training in processing and handling DBS Disclosure information.

Leaders, team members and helpers.

Others over the age of 18 who are involved in the event.

Anyone engaged in Gobaith Môn's ministries, either as employees or volunteers.

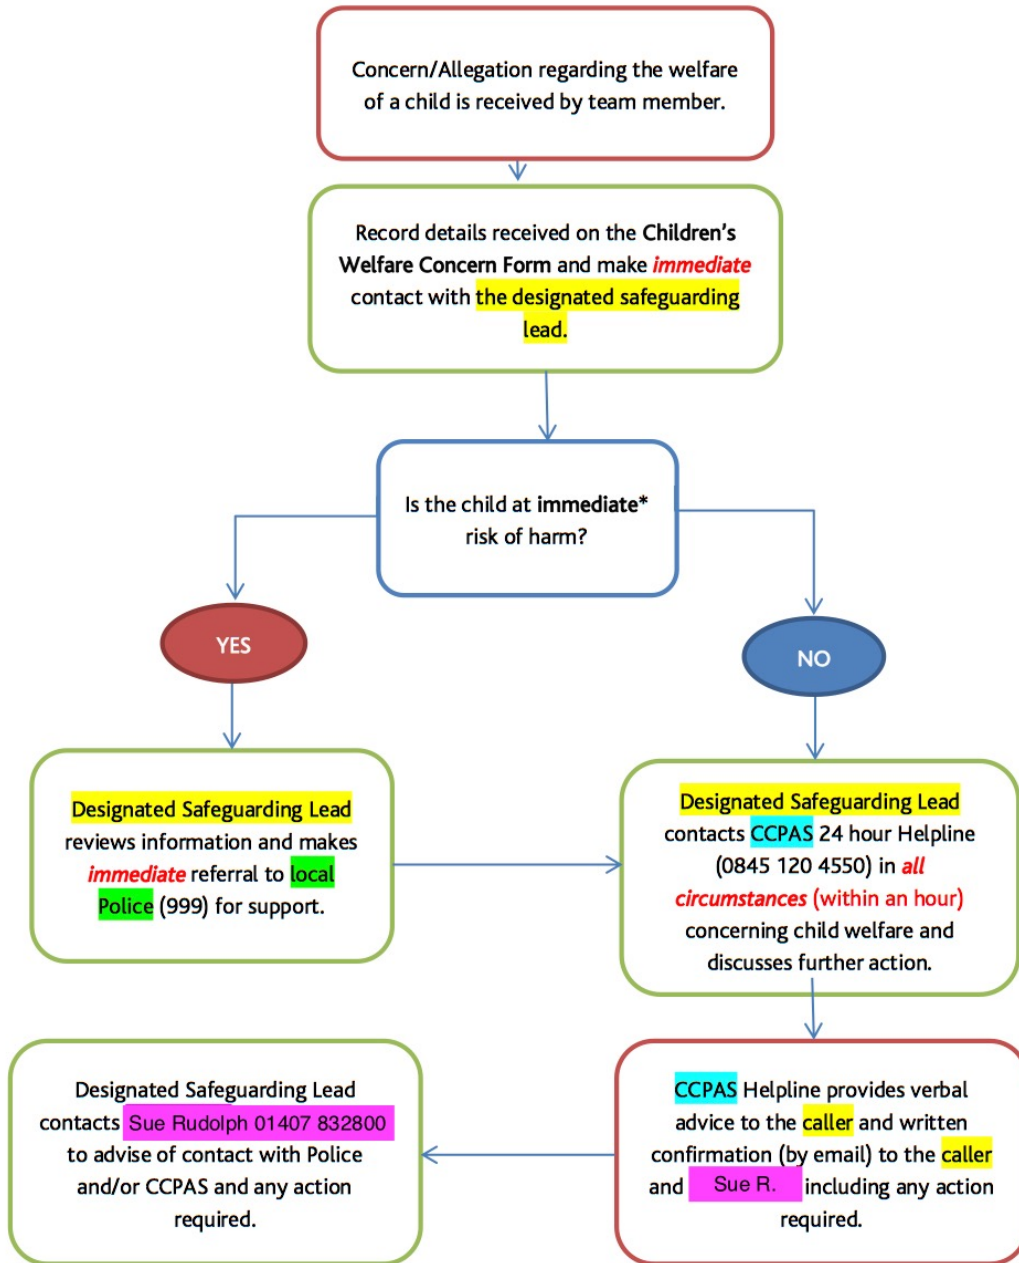

**APPENDIX A: Reporting Information Concerning the Welfare and Protection of a Child**

**FLOWCHART FOR REPORTING INFORMATION CONCERNING THE WELFARE AND PROTECTION OF A CHILD**

Note: This may relate to a welfare concern occurring at an event, including the actions of children or adults or a concerns regarding the welfare of a child outside of an event.

*\*Immediate* is used to describe any situation where if the child were to remain in their current environment there would be an ongoing risk of harm (i.e. posed by another person with whom they have contact). This also applies if a child were to leave or be taken from the environment by a person who may cause them harm.

## APPENDIX C: GOBAITH MÔN VISION, VALUES AND MINISTRY LIST

### VISION -

Gobaith Môn aims to bring together Christians from all denominations to bring Hope to the youth of the Island by encouraging and developing youth work in schools, churches and communities. We aim to value each young person, be inclusive in community and encourage the local church.

SCHOOLS are where young people are. Our commitment is to provide consistent relational support to these young people in the schools of Anglesey through a variety of means. Our desire is to see young people emerge into their full potential within the context of a Biblical worldview. We are committed to be involved in young peoples' lives starting with each individual through example, instruction and opportunity. We believe that today's young people are tomorrow's leaders therefore it is imperative that we provide every young person the opportunity to thrive into their full potential.

CHURCHES have always been the key vehicle to display the love of God to others. As Gobaith Môn is an interdenominational youth initiative, we aim to work across the board with the local church on Anglesey. We are committed to serving and contributing to the local church through practical works of service, teaching and training, discipleship and partnership. We want to come alongside the local church and see an active and healthy church on Anglesey where all age groups are involved.

COMMUNITIES contribute to the overall strength of an area. We believe that a relationship with God is key to building strong individuals, families and communities. We are committed to being involved in the communities of Anglesey and making them stronger. Each young person represents a family and each family is part of the community. We believe that to strengthen a community starts with the strengthening of the individual. As we participate in strengthening the community we will always desire to value the individual in the process.

### VALUES

Value Each Person - each person has intrinsic value. Yet each person varies in their opinions, priorities, likes/dis-likes, etc..We will give each person their God-given value and all the while treat each person as an individual. We aim to give each person time, opportunity, and care.

Cross-cultural - we desire to honour the culture in which we serve. We affirm the uniqueness of cultural expressions which should be cultivated and incorporated in each area of ministry.

Inclusive - our point of reference is for each person to know they can belong. In all we do we want to ensure that anyone is welcome to be part of the opportunities that we are putting forward to the youth public. All are welcome, none is left out.

Belong - we desire to give each person we come into contact with a good representation of what it means to love and live for Jesus.

Believe - we strongly believe in consistent, on-going input to each Christian's life. The discipleship process is the opportunity to mature in one's relationship with God with others. We want strong, whole young people that are able to live life to the full.

Growth - we want to equip young people to be leaders in our communities. We want to create and give opportunity for them to grow in their relationship with God, apply what they are learning, and communicate to others what they have learnt.

### GOBAITH MÔN MINISTRY LIST

**Sport in school** - Facilitated sport in school time. For year groups 7 - 6th form. Each sport activity is done with like aged young people in mind. Duration of each sport activity is throughout the schools lunch break and under observation of lunchtime staff on school/council grounds.

**Sport in holidays** - Facilitated sport activities during the holiday times. Duration was for 2-3 hours and facilitated on open fields on council grounds, typically in Llangefni. Age groups that participated were 15 - 17 years old. Communication for these activities was done via Facebook group: Gobaith Môn sport

**Teaching in school: PSE and RE** - Adopted school curricula for each department and was asked to cover a range of topics for all year groups (7 - 6th form). There was a teacher present at each session with occasional teachers needing to leave but came back to the class. I would teach in a school anywhere from 1 to 5 sessions per week.

**Youth Evenings** - Every Tuesday evening young people came to my house for a meal and discipleship. A hot meal would be prepared beforehand for the youth and we would eat together followed by a testimony or encouraging word. There would always be at least 2 adults present at this evening and DBS cleared. Duration of each evening would be around 3 hours

- Every Thursday evening young adults (+18) came to my house for a meal and discipleship. This was more of a bring and share evening with all contributing. More in depth conversation and discipleship happened at this evening, as well as prayer. Each evening would last a minimum of 4 hours.
- Every other week (summer holidays) host youth evenings outside with a free BBQ, Bible talk and activities. This is open to whomever attends (no age restriction). Done in a public park or venue outside.

**Mobilize Discipleship Course** - This course has been designed to provide 16 - 24 year olds an introduction to what it means to follow Jesus. Whether they have grown up in the church or simply have interest in what it means to be a Christian this course has something for each to gain.

**Accelerate Youth Leadership Course** - Accelerate is a course that will equip those who want to be effective in Christian youth work and grow in their leadership skills. This course is designed to bring confidence in reaching out effectively to young people in relevant ways. It will enable individuals to develop and progress in their vision and ministry to youth, both inside and outside the church.

**Monthly Youth Gatherings** - Designed to bring youth from across the island together from a variety of denominations and groups. Age group 12 - 17 with leaders (+18) helping. Each monthly meeting would work around worship, training in a Biblical view and building community. These evenings would be held at town centres or halls across the island and would last for +2 hours. Youth travel to and from by either their parents or pastor/youth pastor or friend.

**1 to 1 Discipleship** - Mentoring/Discipleship sessions are held with +18's in either my house or cafe. Discussion based opportunities to grow in their relationship with God through processing and receiving input. For under 18's it is always done in a cafe setting.

**National and International Missions trips** - Take young people to destinations where they are able to provide service and contribution to communities and churches. Each missions trip varies depending on location and person coordinating events on site. Mission trips would consist of practical projects of service to communities, evangelism opportunities, prayer and worship, and sharing at Sunday services.
