

## 54 Schools continued

God speaks repeatedly about generations throughout the Bible. His desire for all generations to know Him is clear and undisputed. As Gobaith Môn is a Christian youth initiative, our hope is to be a positive Christian influence so that young people on Anglesey would come to an awareness of the goodness of God and the impact that Jesus has in our daily lives. Gobaith Môn aims to be a vehicle of the love of God and to champion youth into their purpose and see them fulfilled in walking out their destiny.

This prayer initiative gives us the opportunity to pray God's will and ways into the lives of our young people. Along with your home-group, prayer group, bible study and/or worship evenings you all can have the opportunity to pray into the bigger picture of seeing young people come into a relationship with God. You can pray for breakthrough in the schools, pray for our students to excel in what they are studying, pray for the teachers to carry a mantle of wisdom as they teach and instruct young people, pray for the head-teachers to carry the heart of God as they lead the larger groups of young people. There is so many things that God will lead you to pray into as you participate in this aspect of the Gobaith Môn vision.

Would you consider taking the initiative and signing up to pray for a school? Prayer changes things and ushers in the intentions of God. We need your involvement in seeing youth come into a relationship with God.
